## Expectations

1. Students are to arrive promptly with all class materials (notebook, calculator, text, pencil, and paper). Your class grade will be lowered if you come to class without these items. You may be marked tardy if you are not in your seat when the bell rings.
2. Homework is assigned daily and is expected to be in class on the following day. You are responsible to check answers at the back of the text for odd numbered problems. If you have trouble with an assignment review your notes and try the problem again. If you still have difficulty, call a friend for help. I will review selected problems in class. However, we do not have time to work through all the homework problems. **If you are absent, it is your responsibility to find out what you missed and make up the assignment.** If after attempting the assignment you need help let me know and we will set up a time to meet.
3. Homework may be collected at any time without prior notice. Assignments are to be completed on a separate sheet of paper with your name and assignment clearly indicated.
4. To promote learning students are not permitted to call out or disturb the class. If you have a question, raise your hand and wait to be called upon.
5. Only water in a closed container will be allowed in class.
6. All school rules will be strictly enforced.
7. Problems or concerns may be discussed with me individually at school during study hall or lunch if I am available. You may reach me at home between 8 PM and 10 PM at 404-634-6553.
